

San Joaquin County EMS Field Care Audits 2007

ADVANCED AIRWAY TRAINING

Monday, May 21, 2007

This field care audit is offered **ONLY** to San Joaquin County First Responders, EMTs, Paramedics, and MICN's working for a San Joaquin County Provider . This San Joaquin County field care audit is being coordinated with and taught by REACH Air Ambulance. It is instructor led and intended to serve as an educational opportunity, which is approved by San Joaquin County EMS Agency (EMS 39-0001, BRN 1524) for up to 4 continuing education hours at no cost to participants. The field care audits will be held at San Joaquin County General Hospital Conference Room 1 A&B. Registration is required as space is limited. Registered participants will be sent confirmation notices prior to event.

Please detach section below and send to SJC - EMS, PO Box 1020, Stockton, CA 95201 or fax to (209) 468-6725.
